

Partnership with Fundació Princesa de Girona to support the professional development of young generations

Beneficiary: Fundació Princesa de Girona
Location: Spain, Europe
Grant Cycle: 2024 – 2025
Type of Grant: patronage, Delegació a Catalunya

The Nando and Elsa Peretti Foundation – Delegació a Catalunya (NaEPF) is honored to be trustee of the Fundació Princesa de Girona from 2024.

The NaEPF shares the same commitment as the Fundació Princesa de Girona to support the younger generations with the aim of improving and promoting their professional and personal development, ensuring that they overcome the barriers encountered in their integration into society. The Fundació Princesa de Girona was born in 2009, after the dramatic economical crisis, in a context in which the future of young people was threatened by the high drop-out rate and the low chances of finding a profession. In the last fifteen years, the Fundació Princesa de Girona has been offering solutions to these issues helping young people in their training and in searching for a new employment, taking all the necessary initiatives to enable young people to face a world that is constantly changing, where globalization and new technologies are the great challenges

of the present and future generations. Granting scholarships to the most deserving and presenting them as references for others to form a community of talents has always been a focus of the Fundació Princesa de Girona, to promote social and human values. The honorary presidency of the Board of Directors is held by H.R.H. the Princess of Asturias and Girona, Doña Leonor de Borbón y Ortiz. The Nando and Elsa Peretti Foundation – Delegació a Catalunya is represented as patron by Stefano Palumbo, member of the Board of the NaEPF.
